## Football Championship

The Browns have made it to the little league football championship for the first time ever! The mayor said, “After one hard fought season of hurt and pain we made it to the championship!” The players all cheered and showered him with the bucket of ice they were hiding. What a way to celebrate the first ever championship.

### The Game Winner

The game to get the Browns to the championship was a hard fought one. the final play to get through without overtime was all put on the new sixth grade kicker from twenty yards. As he had lined up for the kick and sent it but as the ball was flying older kids had hit it to the left. As the people thought it was over it hit the post and went in!

### The Season Standings

As of right now we are waiting to see who the Browns will face. The team will face either the Blue Jays or the Black Hawks. That game was set back because of a lightning storm that lasted three days. The championship is set to be on the 14th at Ford Field. Also the game will be televised on CNN so all can watch the best future football players do their thing.
